

Designer Series UV Hydro RV Covers

- Highly UV and moisture resistant 4-layer fabric promotes cooler interior temperatures, longevity and features a hydrophobic water barrier
- Light colorway reduces temperature build-up and keeps your RV cooler
- Zipper entry doors on both sides of the RV for easy covered access
- Available for Class A, 5th Wheel, Travel Trailer, Class C, Tent Trailer, Truck Camper, Toy Hauler, Hi-Lo, Micro, R-Pod and Class B

See page 04-03 for more information.

Encompass™ RV Covers

- Provides a layer of protection from dust and debris while shielding your RV from the sun's harmful UV rays
- Encompass covers use a strong, lightweight, Ripstop material and include SoftGuard™ foam inserts to help protect your cover from tearing and sharp edges
- The Strapping & Toss Bag System makes it so you don't have to crawl under the RV to install the cover; long zippers provide access inside the RV while it's covered
- Includes a reinforcement patch kit and storage bag

See page 04-17 for more information.

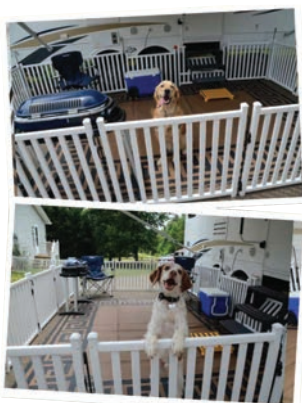

Smart Propane Scale

- Never run out of propane unexpectedly
- Wirelessly track your cylinders propane level through Bluetooth capability
- Compatible with 20 lbs., 30 lbs. and 40 lbs. cylinders

06-9694 YSN-PS1

See page 05-09 for more information.

Picket Play Fence

- A portable fencing system designed to keep your pets safe while camping
- Completely encloses RV steps, full size lockable gate, pet friendly, adds curb appeal
- Completely customizable
- 135 sq. ft., 32" H
