## Restore, Renew, Refresh

Many things change, but attractive, comfortable and quality furniture will always bring people together and add life to any room. Our furniture design philosophy blends attractive external appearance and comfort, functional engineering and state-of-the-art manufacturing processes to develop the best product. The Thomas Payne Collection features a range of furniture designed for RV's, including the patented Tri-Fold sleeper-sofa, Jackknife Sofas, Modular Theater Seating, Swivel Recliners, Pushback Recliners and Euro Recliner Chairs.
